Erasmus+ in Pyhäjoen lukio

Pyhäjoki as a job shadowing destination

Experience the Finnish Education System with Us

We welcome educators and other staff to come and get to know the Finnish education system. With us, you'll acquaint yourself with all the levels from daycare to senior high school as well as meet the Head of Education.

The Erasmus+ Programme highlights inclusion and diversity, environmental sustainability and responsibility and digital education. Here in the Finnish countryside you might not reach up to them fully but we can safely say, you'll experience them all in one form or the other.

The job shadowing weeks are usually in late August and in May just in time for Europe Day on May 9th. Don't hesitate to have a look at our flyer and contact us! You can use the form below.

"We still remember the wonderful visit you prepared for us. We'd love for you to visit our school in the future!"

– CEIP Virgen del Rosario Salinas (Alicante, Spain) 2024

"Thank you so much for the whole week, for your welcoming colleagues at your schools and for the opportunity to visit the high school in Oulu as well!"

– Aszód Evangélikus Petőfi Gimnázium, Általános Iskola és Kollégium (Aszód, Hungary) 2025

PYHÄJOKI AS A JOB SHADOWING DESTINATION

Pyhäjoki is a tiny village near the coast of the Baltic Sea and only about 3,300 people live here. Two to three times a year we offer job shadowing for the pre-, primary and secondary education and daycare too (5 to 18-year-olds).

There are two Erasmus+ coordinators available to help you:

Marianne: a Special Education and Spanish teacher in Saaren koulu, which is a primary and lower secondary school

Minna: an upper secondary school English and History teacher in Pyhäjoen lukio

The next availabilities are:

25 - 29 August 2025 - 0 places
6 - 10 October 2025 - 0 places
4 - 8 May 2026 - 2 places
24 - 28 August 2026 - 1 place
10-14 May 2027 - 4 places
23 - 27 August 2027 - 4 places

We accept circa eight teachers per each job shadowing week (maximum three from a particular school) and do not charge for the visit. You as a visitor will obviously pay for the travelling and accommodation yourselves with an Erasmus+ grant. We offer school lunches and tea/coffee.

For the travel arrangements, we would suggest that you fly to Oulu (OUL) via Helsinki (HEL) and hire a car from the Oulu Airport. There are several international car hire companies there such as Hertz and Sixt.

(<https://www.finnair.fi/en/airports/oulu/parking-access/car-rental>). It's about an hour's drive to Pyhäjoki from the Oulu airport.

Most of our job shadowing guests hire a car because this way you can travel around in your free time and visit other places too. Public transport is not very efficient in the Finnish countryside.

You can even drive to see Santa Claus - he's about four to five hours away in Rovaniemi!

For the accommodation there are a few options, for example:

<https://www.majortusmaailma.fi/en>

Jari Salmela, info@majortusmaailma.fi

<https://www.lamavengas.fi/en/cottages/pyhajoki-etelantien-13421a-13421a>

The booking of the job shadowing week is confirmed by agreeing on the participants (2-3 per school), the programme and returning of the learning agreement(s). Please let us know if you need a written invitation for the authorities.
